Terms and Conditions

- 1 Net Asset Value (NAV): Prices are calculated on a NAV basis, which is the total value of all assets in the Portfolio including any income accrual and less any permissible deductions as defined in the prospectus divided by the number of units in issue. Permissible deductions include brokerage, auditor's fees, bank charges, trustee fees, administrative expenses for AGM and the service charge levied by Stanbic Investment Management Services Limited ("the Manager").
- 2 Service Charge (incl. VAT): The service charge for the individual portfolios is accrued daily and levied monthly on the market value of the portfolio. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the portfolios.
- 3 Total Expense Ratio: The Total Expense Ratio (TER) of a portfolio is a measure of the portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the portfolio (calculated over a financial year period). The TERs can be located on the Fact Sheets.
- 4 Switching: A "switch" involves selling units in one Unit Trust and investing the proceeds in another Unit Trust. The Net Asset Value (price) of the fund determines the value of the switch and the number of units subject to the switch.
- 5 Income Distributions: Income is not distributed on the Fund. All earnings are reinvested in the Fund which impacts on the NAV of the Fund. Investor seeking to withdraw earnings will have to sell part of their units to realize their earnings.
- 6 Electronic Transactions: the Client agrees that the Manager shall be entitled to implement all instructions and applications of whatever nature received via email, or by fax or any other electronic medium and which appear to emanate from the Client only after client has signed the email indemnity form. The Manager is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the Client. The Client agrees that the electronic records of all instructions and applications processed by/or on behalf of him/her or which purport to be processed on behalf of the Client via SIM's Internet site, telefax, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications.
- 7 Payments/Withdrawals: Redemptions can only be made into an account or cheque issued in the name of the Client. No third party cheque payments will be made except where client has expressly instructed the Manager to do so.
- 8 **General**
 - 8.1 An investment in the units of a collective investment scheme in securities is not the same as a deposit with a banking institution.
 - 8.2 The value of units may go down as well as up and past performance is not necessarily a guide to future performance.
 - 8.3 The Manager undertakes to repurchase units at the prevailing NAV price in accordance with the requirements of current legislation, and on the terms and conditions of the relevant Deeds.
 - 8.4 Payment will be made within 24 hours (up to a maximum of 3 working days) of receipt of a valid redemption/withdrawal form.
 - 8.5 There are no entry charges, however, depending on the collective investment scheme signed, there may be exit charges.
 - 8.6 Where different classes of units apply to certain Portfolios, they would be subject to different charges.
 - 8.7 A schedule of charges and maximum charges is available on request from the Manager. Commission and incentives may be paid and if so, would be included in the overall costs.
 - 8.8 A Fund of Funds Portfolio only invests in other portfolios of collective investment schemes, which levy their own charges, which could result in a higher cost structure for these portfolios.
 - 8.9 A Feeder Fund Portfolio only invests in the units of a single portfolio of a collective investment scheme, apart from assets in liquid form.
 - 8.10 All portfolios are valued on a daily basis at 17h00. Investments will receive the price of the previous day closing NAV. Redemptions/withdrawals will receive the price of the previous day's closing NAV. The price, which will apply to an instruction received on a Saturday/Sunday or a public holiday will be that of the following working day.
