## Terms and Conditions

- 1 Net Asset Value (NAV): prices are calculated on a nav basis, which is the total value of all assets in the portfolio including any income accrual and less any permissible deductions as defined in the prospectus divided by the number of units in issue. Permissible deductions include brokerage, auditor's fees, bank charges, trustee fees, administrative expenses for agm and the service charge levied by stanbic investment management services ("the manager").
- 2 Service charge (incl. Vat): the service charge for the individual portfolios is accrued daily and levied monthly on the market value of the portfolio. Please refer to the latest fact sheet(s) for more details. The service charge is normally deducted from the income received by the portfolios.
- 3 Total expense ratio: the total expense ratio (TER) of a portfolio is a measure of the portfolio's assets that were relinquished as operating costs expressed as a percentage of the daily average value of the portfolio (calculated over a financial year period). The ters can be located on the fact sheets.
- 4 Switching: a "switch" involves selling units in one unit trust and investing the proceeds in another unit trust. The net asset value (price) of the fund determines the value of the switch and the number of units subject to the switch.
- 5 Income distributions: income is not distributed on the fund. All earnings are reinvested in the fund which impacts on the nav of the fund. Investors seeking to withdraw earnings will have to sell part of their units to realize their earnings.
- 6 Electronic transactions: the client agrees that the manager shall be entitled to implement all instructions and applications of whatever nature received via email, or by fax or any other electronic medium and which appear to emanate from the client only after client has signed the email indemnity form. The manager is indemnified against any losses, claims or damages arising from acting on such instructions and/or applications, notwithstanding that it may later be proved that any such instruction was not given by the client. The client agrees that the electronic records of all instructions and applications processed by/or on behalf of him/her or which purport to be processed on behalf of the client via sims's internet site, telefax, telephone or any other electronic medium shall constitute prima facie proof of the contents of such instructions and applications.
